

Orangevale Fall Newsletter 2025

My Friends PDHC celebrated 25 years of service with our Orangevale, Elk Grove, San Jose, Stockton and Modesto staff! The owner, Simone Giachino and the business office staff also joined in the celebration. My Friends continues to be committed to providing special care for special people.

As we look back on the incredible spring and summer at My Friends daycare, we are filled with joyful memories of fun, laughter, and friendship. The children spent countless hours outdoors, especially on our beloved backyard playground, where they ran, climbed, and played to their hearts' content. Fridays were

a highlight of our exciting water play days—complete with music, bubbles, and endless giggles. We hosted unforgettable glow-in-the-dark sleepovers and had a blast bouncing around in the bounce house.

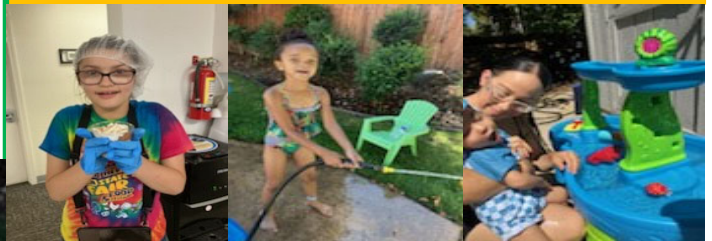

Ice cream parties were a big hit too, bringing everyone together for sweet treats and smiles. It has been a season full of sunshine, laughter, and connection, and we have loved every moment spent together!

Looking ahead to the following events:

- ◆ Halloween party 10/19/25
- ◆ Pumpkin patch field trip (date TBD)
- ◆ Music therapy once a month
- ◆ Friendsgiving (date TBD)
- ◆ Cookies and stories with Santa (date TBD)

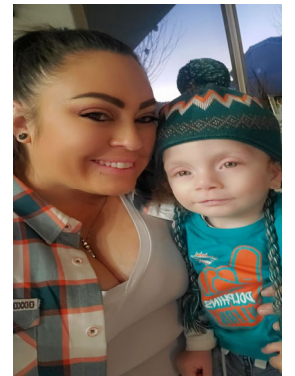

Reminder to parents:

- Please send in extra clothes to keep at the center.
- Please make sure you log into Statewise for daily updates.
- Please make sure to send in diapers, wipes and formula.

Meet Angelo

Meet Angelo, a client whose love for family and music shines through! When he's not hanging out with his best pal, his Papa, or his beloved cousins, you can often find him immersed in a great movie. His favorites? Anything with music, like the movie Sing, or a hilarious adventure with the Minions. Music is a big part of Angelo's life, and nothing beats watching his uncle's band play live! He's a great supporter of his family, cheering his cousins on when they play soccer and volleyball. And of course, there's his playful relationship with his dog, Stella, they enjoy a good-natured bit of picking on each other!

Meet Brandi

Brandi has been a valued part of the My Friends family for three years, and her dedication and warmth have made a lasting impact on the children and families she works with. Brandi says she chose to work in pediatrics because she's always had a deep love for children. She's passionate about supporting their development and being a positive part of their early years. For Brandi, the most rewarding part of her job is the strong bonds she builds with each child, their family, and getting to watch them grow and thrive over time. When she's not at the daycare, Brandi enjoys caring for her plants, spending quality time with her family, friends, and boyfriend, and of course, spoiling her sweet cat, Callie. Brandi adopted her adorable 8-year-old cat, Callie, in October 2024. Since then, Callie has become an important part of her life and is living the spoiled life she deserves!

We're so grateful to have Brandi on our team and are lucky to have her as part of our My Friends community!
